

## WARRANTY:

Please read the following information regarding the warranty of Aussie Feeders trailers and feeders

Warranty is only valid to the original purchaser on the tax invoice the warranty is not transferrable to another owner

12 months warranty is included from time of purchase all trailers are covered by 12 month warranty

Aussie Feeders trailers/feeders comes with guarantees that cannot be excluded under the Australian Consumer Law.

The warranty of the trailer/feeder will not apply if the trailer/feeder has been misused or abused or damaged in an accident, fair wear and tear, misuse, weather damage and unauthorised repairs

There is no warranty on the reflector lights, tyres, rims or wheel bearings and jockey leg

It is the owner's responsibility to check all moving parts of the trailer/feeder this includes after use that the wheel nuts are checked and tightened on a regular basis

The standard warranty parts & labour covers the trailer for a period of 12 months from the delivery date this excludes replaceable items including filters, oils, lubricants, clutches, brake discs and linings. It also excludes belts, hoses, glass and light bulbs. It also excludes the items covered by component manufacturer warranty such as supplied batteries, tyres, pumps and the hydraulics.

Aussie Feeders is not responsible for second hand equipment, modified equipment not approved by Aussie Feeders, normal wear and tear, hydraulic pumps and hydraulic hoses and cylinders.

### Warranty exclusions:
